Check on Your Order
To check your order status, go to *www.gardeners.com*, have your customer number handy, and click on "Order Status" to follow the progress of your order.

Protecting Your Privacy
We do not share your e-mail address with other companies. We may make your mailing address available to companies whose services might interest you. If you prefer that we keep your address confidential, just let us know when you order, or write the words "do not exchange" on your mailing label and send it to us.

Environmental Awareness and Catalog Preferences
Preserving the environment has been a fundamental principle at Gardener's Supply for our entire history. We believe shopping at home is an environmentally sound alternative to driving between energy-consuming stores and malls. We print on a combination of recycled and sustainably grown wood fibers. We've made this catalog carbon-neutral through the purchase of verified carbon offsets. We also "clean" our lists before every mailing to eliminate duplicate or unwanted mailings. If you are getting duplicate catalogs, unwanted catalogs or too many catalogs, please call us at 1-800-843-1819. Please allow 8 weeks or so for your request to take effect.

Prices and promotions in this catalog are superseded by the next catalog and may not be combined with other offers in any media.

EASY PAY is a payment plan we offer our customers on selected products. It allows you to receive your product now and pay for it over 6 or 8 months. There is no interest or additional charge for this service. **EASY PAY** will only be applied to eligible items, not your whole order. Shipping charges, including any additional charges for large items, will be added to your first payment. Your credit card will be billed monthly for the remainder of the plan. To calculate the correct initial payment, call 1-800-427-3363 or visit *gardeners.com*.
