Teardrop Bamboo Mason Bee House

NEW
REPLACEABLE TUBES
(sold separately)

NEW Slightly smaller than honeybees, non-stinging mason bees are incredible pollinators. Each one visits as many as 1000 blooms per day — 20 times as many as a honeybee! Hang this natural bamboo house against a tree or wall and attract these incredible creatures to boost your garden's productivity!

 *GSC Exclusive*

\$19.95

Solitary Bee Hive

\$49.95

NEW Attract and learn more about the awesome pollinators that keep your garden bountiful! With a lift-off roof and clear viewing panel, you can watch how solitary bees like mason and leafcutter bees live and work within a hive.

Feather Central Bird Feeder

\$59.95

Edwardian Bird Feeder

Reminiscent of an antique birdcage, this elegant feeder is filled with smart features that make it as practical as it is beautiful. The outer cage discourages most squirrels and larger birds, letting small songbirds dine in peace. The latching lid resists clever squirrels, yet opens with a turn for easy filling. And six feeding ports let multiple birds dine at once. 9½" dia. x 14" H.  *GSC Exclusive*
