GARDENERS SUPPLY COMPANY

We're in the business of gardening because it nourishes the body, elevates the spirit, builds community, and makes the world a better place.

For 30+ years, our design & development team has been listening to our customers and solving gardening problems in creative new ways. Thanks to them, many of our products can't be found anywhere else!

We donate 8% of our company profits to programs and organizations that are using gardening to improve the world.

Bigger. Bolder. Brighter.

We're enamored with amaryllis. And we hope it shows.

Whether you're bringing these beauties to life in your own home or giving them as gorgeous gifts, we work hard to bring you bigger, bolder, and brighter blooms than the competition.

We source bigger bulbs, carefully selected for quality, so you get larger and multiple blossoms. We offer exclusive varieties as well as popular favorites, so there's something for every taste. And the pot is not an afterthought. We design our cachepots to emphasize and enhance each variety.

From top to bottom, and pot to blossom, our amaryllis aim to amaze.
