Assembly

If you are starting with a fully assembled Victory Self-Watering Tomato Planter, start by removing the CLIPS and WIRE SUPPORTS. If your Planter is not currently assembled, follow Steps 1-7 on the Tomato Planter instructions before continuing with these.

1. Remove the CAPS from the top of the already inserted POLES and slide the POLE CONNECTORS into the tops of them. Slide the two POLES over the CONNECTORS and place the CAPS back on top.

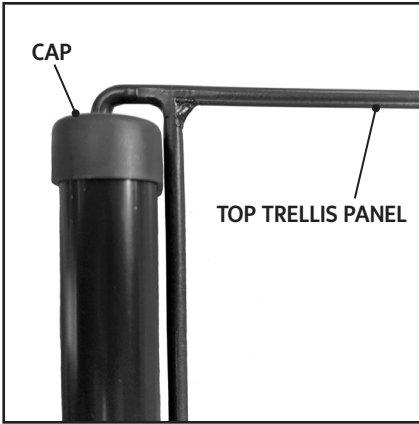

2. Attach the TOP TRELLIS PANEL to the BOTTOM TRELLIS PANEL using the CONNECTING CLIPS.
