

Medina Candle Lantern, Medium

This lantern adds a festive touch anywhere, anytime. Use it to decorate for the holidays or to create magic on a summer terrace. Each lantern is hand painted, making it unique. **NOTE:** There will be variations in the finish on the Medina Candle Lanterns.

For safety and convenience, we recommend using our LED Votive Candles (sold separately). They provide a warm glow with an authentic flicker.

If using a real flame candle, we recommend a votive candle, placed in a tight-fitting glass votive holder that's no more than 2½" in diameter and 3" tall. Trim the wick to ¼" before each use.

If this product is used with a real flame candle:

- Never leave a burning candle unattended.
- Keep out of the reach of children and pets.
- Do not place on or near flammable materials.

Store the Medina Candle Lantern indoors during inclement weather and when not in use.
