## Parts

- (1) TOP TRELLIS PANEL
- (1) BOTTOM TRELLIS PANEL
- (2) CONNECTING CLIPS
- (6) HOOK & LOOP STRIPS

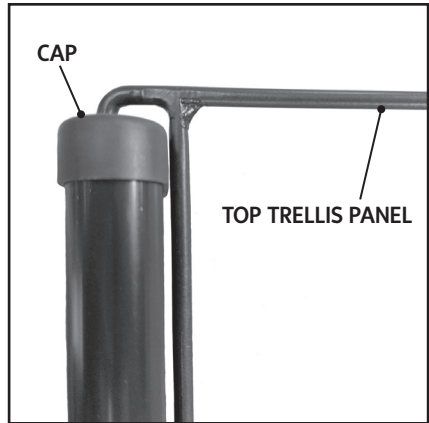

**NOTE:** These instructions will refer to parts that come with the Victory Self-Watering Tomato Planter and Victory Tomato Planter Trellis Extension (both sold separately).

## Assembly

If you are starting with a fully assembled Victory Self-Watering Tomato Planter with Extension, start by removing the CLIPS and WIRE SUPPORTS. If your Planter is not currently assembled, follow Steps 1-7 on the Tomato Planter instructions and Steps 1-2 on the Tomato Trellis Extension instructions before continuing with these.

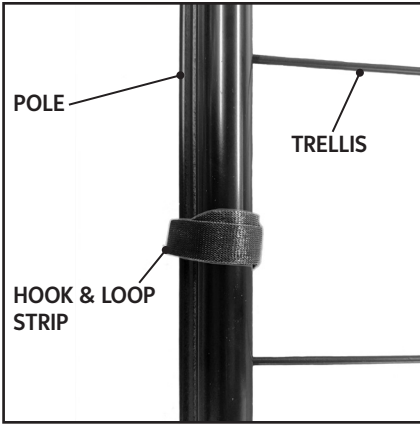

**1.** Attach the TOP TRELLIS PANEL to the BOTTOM TRELLIS PANEL using the CONNECTING CLIPS.

**2.** Slide the hooked ends on the TOP TRELLIS PANEL into the holes on the CAPS.
